Washington, DC 20204

Dear Sir/Madam:

This is a notification pursuant to 21 U.S.C. 343(r)(6) that Standard Process Inc., Palmyra, Wisconsin 53156-0904, is making the following statements:

- (1) The ingredients in Zymex® Wafers work to promote and maintain this ideal healthy pH range in the intestinal tract.
- (2) Zymex Wafers keeps your digestive system healthy.
- (3) Wheat germ provides a rich source of essential fatty acids, B-complex vitamins, and fiber to promote healthy functioning of the digestive tract. Beets help moisten the intestines to encourage healthy peristalsis and help maintain regularity.
- (4) Zymex Wafers establishes a healthy intestinal environment.
- (5) The ingredients found in Zymex Wafers work together to provide a healthy intestinal environment to support the growth of important intestinal flora and to maintain proper digestive function.
- (6) Zymex Wafers keeps your immune system healthy.
- (7) Zymex Wafers contain the nutrients that support the establishment and maintenance of beneficial intestinal flora and proper pH.

These statements are made for a dietary supplement containing a proprietary blend of defatted wheat (germ), lactose, date (fruit), whey, enzymatically processed *Tillandsia usneoides*, and beet (root). Other ingredients include honey, calcium lactate, and calcium stearate. The name of the product is Zymex® (Wafers).
